DAWGGONE GOOD DEAL

With the arrival of spring, this is the time of year that many students begin making travel plans for the summer. When considering travel accommodations, consider the following tip. In a recent edition of "Save More, Spend Less, Avoid Rip-offs", consumer expert Clark Howard advises using AutoSlash.com for booking an auto rental. The site offers a service that will automatically re-shop for the cheapest price for renting a car every day after you book.

THE CLOSELINE PROJECT-- APRIL 16-27

April is national Sexual Assault Awareness Month (SAAM). In observance of SAAM and our Raising Respect initiative, Student Affairs has partnered with the Gwinnett Sexual Assault Center and Children's Advocacy Center (GSAC-CAC) to bring the Clothesline Project to UGA Gwinnett.

The Clothesline Project is a powerful display of t-shirts that have been decorated by women affected by violence. This exhibit will be in the UGA lobby, along with information on local sexual assault resources.

Please take a few minutes to stop by and to reflect on the images you see.
