

**Advising Model Working Group
UGA Student Affairs Strategic Plan**

November 10, 2020

- **Charge**
 - Lead efforts to create consistent advising philosophy across the Division, in addition to establishing congruent student organization practices and procedures (e.g., funding/allocations, reservations, contracts, event planning, risk management, etc.)
- **Data collection**
 - Two survey instruments to be created. One focused on the experience of student organization advisors and the other on student organization operations
 - Timeline
 - December: Questionnaires distributed to advisors
 - January: Questionnaires completed
 - February: Send raw data to working group for review
 - March: Discuss findings and themes
 - April: Draft recommendations and discuss at meeting
 - May: Finalize and submit recommendations
 - Discussed questions and topics to include
