

STUDENT ACTIVITY FEE GENERAL GUIDELINES

The University of Georgia

1. Each student organization requesting funding must supply requested information in a process developed by the Student Affairs Business Office.
2. Any registered student organization may request Student Activity Fee funding. Categories of clubs and organizations have been established with different request processes and operating procedures in order to accommodate the diversity of size, complexity and purpose of the various campus organizations and programs. Each club or organization requesting funding should submit a budget proposal to the appropriate office and must comply with the request process established by the applicable recommending committee.
 - a. Academically-related clubs and organizations should obtain Student Activity Fee Budget Requests packets from the office of the dean of their respective school or college. Graduate student organizations should apply through the school or college that directs the program of study. Organizations must follow the request dates and any specific funding guidelines established by the school/college committee.
 - b. Programs and activities with campus-wide program emphasis and non-academically related clubs and organizations not included above will follow procedures established by the Student Activity Fee Allocation Committee. Funding requests must be submitted through the Student Affairs Business Office located in Tate Student Center Suite 126. Organizations that have not received funding in the past must apply to the One-Time Allocation Fund and/or the Student Affairs Diversity Fund for two consecutive years prior to submitting a request to the Student Activity Fee Allocation Committee. Financial records and/or documents must be submitted to the Student Affairs Business Office in order to verify and develop a budget. The organization must be willing to comply with all of the general guidelines described elsewhere.
3. Programs and activities funded in whole or in part by Student Activity Fees must be open to any interested student.
4. Student Activity Fee Funds may be used to fund worthwhile programs of clubs and organizations. This does not include charitable causes. However, any registered organization may request program assistance funds for programs that are directed to the campus as a whole, open to any interested student, and are deemed to serve, benefit, or be of interest to a significant segment of the University community.
5. Student organizations whose active membership includes non-university students (this is not to exclude duly elected faculty advisors) shall receive Student Activity Fee funds allocated only for student members.
6. All organizations which receive Student Activity Fee funds/revenue must deposit all receipts through the Student Affairs Business Office. This specifically precludes organizations from maintaining private bank accounts if they receive a Student Activity Fee allocation. Organizations affiliated with schools or colleges (see 2a above) are permitted to have an Agency Account through the Student Affairs Business Office. See “Additional Guidelines for Organizations with Allocated & Agency Accounts” on page 4 for details.
7. Any allocated organizations which generate income from fund raising, dues, ticket and/or merchandise sales must use the ticket & merchandise process found at tickets.uga.edu as the sole point-of-sale and are prohibited from selling such items on their own or through other outlets.
8. Unexpended fund balances as of June 30 of each year will be recalled to the Student Activity Reserve & Surplus account.

ADDITIONAL GUIDELINES FOR FOOD AND STUDENT TRAVEL

EXPENDITURES FOR FOOD

Student Activity Fee funds may be used to fund food as part of a sponsored program or event. However, food purchases must be specifically requested and budgeted for any program or activity funded in whole or in part by Student Activity Fee funds.

Organizations can spend no more than 20% of their Activity Fee Allocation on food. Organizations can spend 100% of their Generated Income on food.

All food purchases must comply with the university's food policy, including any applicable per diems.

EXPENDITURES FOR STUDENT TRAVEL

Student Activity Fee funds may be used to fund student travel to conventions, conferences and team competitive events. However, student travel funds must be specifically requested and budgeted for any program or activity funded in whole or in part by Student Activity Fee funds. Expenditures may include reasonable amounts for transportation, lodging, and meals associated with attendance as a delegate or representative.

Guidelines may be developed by the various allocation recommending committees that limit the number of individuals funded to attend a single conference or convention, the number of trips funded, and the dollar amounts reimbursed. They may also restrict the types of travel expenses funded. However, travel reimbursements may not exceed the applicable University travel expense limitations.

Individuals seeking to use allocated accounts for student travel expenditures must receive pre-approval and supply requested information in a process developed by Student Affairs Business Office.

A maximum daily allowance for meals will be \$50.00 (recommended as \$13.00 for breakfast, \$14.00 for lunch, and \$23.00 for dinner). For out-of-state travel, the [GSA rates](#) for per diem will apply. Itemized meal receipts must be submitted for reimbursement.

Travel proposals should not exceed 10% of the Student Activity Fee allocation. Exceptions may be made when student travel is a significant element of the organization's mission and purpose. These requests must be made at the time the budget is presented to the Student Activity Fee Allocation Committee. **Registration fees are not included when calculating the 10% spending limit.** Organizations can spend 100% of their Generated Income on travel.

No increase in the Activity Fee portion (not to include generated income) of the travel budget will be allowed during the fiscal year without the expressed permission of the Office of the Vice President for Student Affairs through the Student Affairs Business Office.

EXPENDITURES FOR GUEST SPEAKERS & ENTERTAINERS

Per diem rates as stated above also apply to guest speakers, entertainers, and performers. Itemized meal receipts must be submitted for reimbursement

ADDITIONAL GUIDELINES FOR ORGANIZATIONS WITH ALLOCATED & AGENCY ACCOUNTS

Organizations affiliated with schools and colleges are permitted to have both an allocated account and an agency account through the Student Affairs Business Office.

Deposits/Generated Income: The Student Affairs Business Office will evaluate each deposit to determine if the income belongs to the student organization (agency account) or belongs to the university (allocated account). If an organization uses its allocated funds to pay expenses for programs/activities that generate income, the resulting generated income must be deposited into the allocated account. Funds generated without the use of Activity Fee allocations, including dues that students pay, will be deposited into the agency account.

Expenses: Organizations may spend their funds by having an organization member get reimbursed, placing an order through UGAmart, getting a vendor invoice paid with a Payment Request, through intra-University charges, or a university purchasing card (per university policy—current policy does not allow for the use of a p-card on an agency account). Petty cash cannot be used by organizations that have both an agency and an allocated account.

Recall of funds: Funds remaining in the allocated account at the end of the fiscal year will be recalled to the Student Activity Reserve & Surplus account. Funds remaining in the agency account at the end of the fiscal year will remain in the agency account for future use.
