DawgCheck is UGA's easy-to-use, COVID-19 reporting tool. Report exposures, a positive COVID-19 test, or check your symptoms at **dawgcheck.uga.edu**.

WHEN SHOULD YOU USE DAWGCHECK?

▶ If you test positive for COVID-19, you are **REQUIRED** to report it.

▶ If you have been in close contact with someone with COVID-19 and are unvaccinated or if it has been over three months since you've had COVID-19, use DawgCheck to check your symptoms and learn next steps.

WHO NEEDS TO USE DAWGCHECK?

▶ DawgCheck is for all UGA students, staff and faculty members. Campus visitors are also welcome to use DawgCheck.

WHY SHOULD YOU USE DAWGCHECK?

▶ The health and safety of the UGA community is our top priority.

▶ If you test positive, you can share names of close contacts to help DPH with contact tracing.

▶ In addition to getting vaccinated, using DawgCheck will help protect fellow Bulldogs and the communities surrounding campus against the spread of COVID-19.
